

SHELL WALL FOUNTAIN & CONSOLE
PLUMBING DETAIL (X310A)

Care should be taken to ensure watertight seal where the pipework passes through the brickwork and stonework. Any additional requirements to achieve this to be supplied by others.

To ease connections, hot water may be used to soften PVC pipes.

Unless otherwise stated, all materials other than stonework to be supplied by others.

Consult a qualified electrician to ensure electrical supply conforms with all regulations/codes.

PLUMBING COMPONENT LISTING X310:

Valve 16mm	x2
